**STUDENTS:** If you are enrolled in summer classes and have been assessed the Student Activity Fee you will have continued access to Recreational Sports facilities. If you are enrolled in classes and were not assessed the Student Activity Fee, will not be enrolled in classes over the summer or are the spouse of a student, you may pay the $70.52 Student Activity Fee to continue access.

**FACULTY/STAFF:** Becoming a Recreational Sports member is not only the best deal in town; it’s a positive step toward leading an active, healthy lifestyle! Faculty/Staff memberships cost as little as $22/month!

Summer is often the best time of year for Campus Recreational Sports to embark on necessary facility improvement projects. Our confirmed and tentative summer facility projects are listed below.

**Confirmed Summer 2016 Projects**

- The SRSC north terrace will be closed throughout the summer for repairs. The timeline for the project is dependent on weather and extent of repairs needed. General facility access will be through the south entrance (Law Lane). Handicap access will be through the loading dock.
- There will be additional work happening around the SRSC to move water away from the building.

**Tentative Summer 2016 Projects**

- The IURS Tennis Center may have reduced court availability at some point in the summer to allow for installation of new lights.

We appreciate your patience and understanding as we work through each of these projects over the course of the summer. Our team will make every effort to communicate changes and limit inconveniences to you.

**Sincerely,**

Jackie Puterbaugh

Associate Director

Indiana University Campus Recreational Sports

A Division of the School of Public Health

**SRSC and Wildermuth Age Policies**

- Participants must be 18 years of age or older to use Recreational Sports facilities. Children under age 18 may come into the facility with a parent or legal guardian who has a valid membership or day pass.
- All children under the age of 18 must either have a valid day pass or be on their parent’s/guardian’s membership.
- For children under the age of 18: Parent/legal guardian must be engaged in activity with their child or must provide direct supervision while remaining in the immediate location with their child.
- Dependents under age 18 may NOT enter with a sister, brother, coach, neighbor, etc.
- Pool use by dependents under the age of 18 is restricted to family swim times, swimming lessons or family programming.
- Strength and Cardio areas, Group Exercise sessions, and cardio equipment around the track are not available for use by dependents under the age of 18.

**Parking**

There is a parking lot located directly behind the SRSC that is open for participants and visitors during the summer months. We request that you only use this lot during your time at the SRSC. There are multiple options for parking near WIC, including spaces at the Fee Lane parking garage, Seventh Street parking lot, and options around the Indiana Memorial Union. For more detailed locations and maps, visit parking.iu.edu.

**Stash Your Stuff!**

We offer day use lockers at no cost in both facilities. Long-term locker rentals are also available. Don’t have a lock? No problem. Stop by our equipment desk and check one out for no additional fee.

**Play Safe**

Since participation in Recreational Sports programs is voluntary, participants assume responsibility for their own safety and health. If you are planning to participate in vigorous activities, you should consult with your physician prior to participation. Medical insurance, which would cover expenses incurred by an injury, is strongly recommended.
