SUMMER PROJECT INFORMATION

Summer is often the best time of year for Campus Recreational Sports to embark on necessary facility improvement projects. Our confirmed summer facility projects are listed below.

Confirmed Summer 2017 Projects

- Completion of repairs to Royer Diving Well.
- Replacement of Tennis Center heating/air conditioning/ventilation system. (Four courts will be available at all times during this project.)

We appreciate your patience and understanding as we work through each of these projects over the course of the summer. Our team will make every effort to communicate changes and limit inconveniences to you.

Sincerely,

Jackie Puterbaugh

Parking

There is a parking lot located directly behind the SRSC that is open for participants and visitors during the summer months. We request that you only use this lot during your time at the SRSC. There are multiple options for parking near WIC, including spaces at the Fee Lane parking garage, Seventh Street parking lot, and options around the Indiana Memorial Union. For more detailed locations and maps, visit parking.iu.edu.

Stash Your Stuff!

We offer day use lockers at no cost in both facilities. Long-term locker rentals are also available. Don't have a lock? No problem. Stop by our equipment desk and check one out for no additional fee.

Play Safe

Since participation in Recreational Sports programs is voluntary, participants assume responsibility for their own safety and health. If you are planning to participate in vigorous activities, you should consult with your physician prior to participation. Medical insurance, which would cover expenses incurred by an injury, is strongly recommended.
