**Divisions**
Divisions refer to the grouping of teams that will play each other, each week for the regular season. Divisions are designated by a day and time slot.

**Registration Process**
Registering for Intramural Sports is easy and online with IMLeagues.

**Timeline**
Registration periods are two weeks in length. Registration comes on a first-come, first-served basis. Please be proactive in the registration process.

*Note:* Teams must pay before selecting a division.

**All Participants**
1. Create Profile
   - This step will not need to be repeated once completed the first time.

**Team Registration**
1. Create team
2. Players: Invite and confirm teammates to meet roster minimum
3. Pay: ONLINE with a credit card, PayPal account, or RHA promo code
4. Pick: Select the day and time offering that best suits your schedule needs

*Note:* Selecting division preferences may not automatically move your team into a division if it is already full. Team registration is not complete until your team has left pre-join. Your team captain may have to manually move your team into a division if your preferred divisions are full.

**Free Agent Registration**
1. Join a Sport as a Free Agent
   - This allows individuals the opportunity to communicate preferred day/time of play when seeking a team to join.

Additional Registration Information

- It is advantageous to register early as availability is first come, first served.
- The Intramural Sports Staff reserves the right to make changes/updates to the schedule as the situation warrants.
- The Intramural Sports Staff will host a Preseason Meeting before the season begins. Attendance is recommend for all participants who are new to Intramural Sports or are entering their first season of a new sport. The Preseason Meeting will also be an opportunity for teams to sign-up for practice games. Free Agents can also use the Preseason Meeting to join or form teams.
- All participants must be on the roster before being permitted to play.
- The Intramural Sports Staff reserves the right to make any changes to team names that are deemed inappropriate in any fashion. Please refer to Team Names in the Sportsmanship Policy section.
Opportunities to Play as a Free Agent

Participants seeking a team may register as a Free Agent for any of our team sport offerings. Free Agents are encouraged to attend the Preseason Meeting so that they can be introduced to other Free Agents looking for a team. Individuals can join with others looking for a similar experience. A tutorial on how to “Join a Sport as a Free Agent” is available for those needing assistance.

Other Tips for Getting Involved

- One way to connect with a team if you do not have one of your own is to actually go to the game site on a day and time that you are available to play and ask teams if they could use an extra player (it helps if individuals are willing to pay toward team fees).
- Contact teams that play on the day and time that you would like to play by looking at the Intramural Sports Schedule.
- If you live in a residence hall, you can put a sign on your door or the bathroom mirror, talk to people on your floor, or ask your RA to help you put a team together.
- You can use Facebook or Twitter (or other social media outlets) to help you put a team together.
- Talk to people in your classes to see if they would like to join your team.
- Create a team with friends who play pick up with you.

- Defaults that are not communicated through the Intramural Sports Office will be counted as forfeits for any team not in attendance for their regularly scheduled game.
- A loss and sportsmanship rating of “3” will be recorded for the reporting team.

**Forfeits**

- Teams in major sport competitive leagues, minor sports, and tournaments that forfeit will not be eligible for playoffs.
- A team that forfeits a game will be given a sportsmanship rating of “0” for that contest.
  - A team that wins by forfeit and does not use the grace period will receive a “4” in sportsmanship.
- The team that is present at a forfeit must have the correct number of players needed to start a game for that sport or both teams will be given a forfeit.
• If a team in attendance leaves before the forfeit is duly noted by an official or supervisor, both teams will be given a forfeit.
• Games that end due to sportsmanship issues or a team no longer having the minimum number of players as defined by the sport rules will be deemed a forfeit.

**Grace Period**

Teams must have the minimum number of players checked in and ready to participate at game time. If a team is unprepared to start the game, a ten (10) minute grace period and the game clock shall begin. Game and sportsmanship penalties are enforced on late teams. A forfeit will be recorded if a team does not have the minimum number of players required to participate by the end of the grace period. The final score will reflect the sport-specific grace period penalty. Please view the sport specific rules for the sport-specific score. If both teams are late to the contest then game penalties will be foregone, but sportsmanship penalties will be enforced on both teams.

**Grace Period Steps**

**Step 1** - 0 – 9:59 minutes: a team or player is not ready to play will be penalized a starting score and cannot receive more than a 3 sportsmanship rating.

**Step 2** – Head Supervisor/Assistant Supervisor will call forfeit at the 10-minute mark and the forfeited team or player(s) will receive a 0 sportsmanship rating.

Below is an example of the penalty for a team and an individual sport. Please visit the sport rules of a particular sport if you would like to see the sport-specific penalty.

Playoffs – Major Sport Competitive Leagues and Minor Sports

Individual Eligibility for Playoffs
- In order to be eligible for playoff games, a player must be listed on the IM Leagues roster during the regular season. Roster additions are closed at the end of a league’s regular season. It is recommended to build up the official roster during the regular season to ensure that teams will have enough players available during playoff games.
- Each person participating in Intramural Sports is responsible for his/her own eligibility. Any question concerning eligibility should be referred to the Intramural Staff and a ruling obtained prior to participation. Eligibility rulings will be made based on information presented to and obtained by the Intramural Sports Staff. Any team using a player who does not meet the eligibility rules will forfeit all contests in which the player participated.

Team Eligibility for Playoffs
- Maintain a 3.0 team sportsmanship rating average over the course of the regular season.
- Avoid forfeiting any games.

Advancing to Playoffs – Major Sports Only
Only the top ½ of registered teams in each division will qualify. If there is an odd number of teams in the division, we will round up to the next whole team. For example, we will take the top 2 teams in a division containing 3 teams. To determine the top ½ within a division, we will use the following criteria:
1. Regular season winning percentage
2. Regular season team sportsmanship rating average
3. Head to head competition
4. Points allowed

Participating in Playoffs
In order for a team to participate in the playoffs, a team representative must attend the Playoff Meeting. The Playoff Meeting will be held at the conclusion of the regular season. If a team is unable to attend the meeting, they must notify the Intramural Sports office by 12:00pm the day of the meeting. If a team does not attend the Playoff Meeting and does not notify the Intramural Sports office by the deadline, then they will not be allowed to participate in the playoffs.
Bracket Selection Process

Prior to the Playoff Meeting, the playoff bracket will be posted on IM Leagues. Teams that attend the Playoff Meeting will be eligible to select their spot on the playoff bracket. Teams that are unable to attend the Playoff Meeting, but have notified the Intramural Sports office before the deadline will be randomly placed into one of the remaining spots on the bracket. Teams are encouraged to view the entire playoff bracket prior to attending the Playoff Meeting so that they can determine which spots on the bracket work best for all members of their team. The picking order for bracket placement will utilize the following tiebreaker hierarchy:

1. Regular season winning percentage
2. Regular season team sportsmanship rating average
3. Head to head competition
4. Points allowed
5. Random draw conducted on site

Note: Teams who qualify for the playoffs but do not attend the playoff meeting (or notify the IM office) will not be placed on the bracket.

Rescheduling

The playoff brackets will be created based on the number of teams who qualify for the tournament and facility availability. Teams will not necessarily be playing at the same time as their regular season games. Participants should check the playoff brackets once posted on IMLeagues in order to find the playoff schedules and notify teammates. If a team has a conflict with a particular game time, reschedule game times are available on a very limited basis. Reschedules will be handled electronically through the IMLeagues software. Follow the process below in IMLeagues, for additional help please see the tutorial How to Request a Reschedule.

Note: Reschedule request must be submitted by a team captain.

Submitting a reschedule request does not guarantee a rescheduled game time. If there are no open reschedule times remaining (green), all of the reschedule times are full (grey). All requests must be made by noon (12:00pm) the day of the originally scheduled game. For games played on Saturday or Sunday, the request must be sent by noon (12:00pm) on the Friday before the match/contest.

- If teams cannot agree on a reschedule time that works for both parties, the game will be played at the originally scheduled day and time.
- If team captains do not receive an email confirming the reschedule time, the game will be played at the originally scheduled day and time.
**Equipment/Uniform**

At most Intramural Sports events, game equipment is available for checkout. However, teams are encouraged to bring their own equipment for warming up. Recreational Sports will supply a game ball for every contest, unless both captains agree on a different ball.

All team members must wear athletic apparel appropriate for the sport being played. Team members are encouraged to wear the same color. All players must wear athletic shoes. Hard sole shoes or sandals of any kind will not be permitted. Leather, rubber, nylon, or plastic cleats are legal for outdoor sports.

Jewelry is not permitted in any Intramural Sport due to risk of injury. Hard and unyielding items (guards, casts, braces, etc.) must be padded with a closed-cell, slow-recovery foam padding no less than ½-inch thick. The padding must be seen and approved by an Assistant Director for Intramural Sports. Players will be given a note that they must present to appropriate Intramural staff prior to each game. Participants must schedule an appointment with an Assistant Director of Intramural Sports prior to playing if requiring a medical exemption (i.e., medical device, medical alert). Assistant Directors can be reached by emailing imsport@indiana.edu.

For more information on sport specific uniform and equipment guidelines, please refer to the [sport rules](#).

*Note:* All equipment decisions made on site by the Intramural Staff on duty shall be final.
Sportsmanship Policy

Sportsmanship ratings are given based on a team’s behavior and conduct before, during, and after an Intramural Sports event. A sportsmanship rating system is used to encourage sportsmanlike conduct from players, captains, and fans. A player receiving an ejection from the game may not be allowed to compete in the next regularly scheduled contest. Recreational Sports may also enforce additional penalties against such persons based on the ejected player’s actions. Team captains are responsible for the conduct of their players, sidelines, and spectators. If a player is ejected and refuses to provide his/her name, the captain may also be ejected if he/she will not reveal the name.

Note: Any team that holds an average Sportsmanship Rating of a 2.0 or lower may be removed from competition by the Intramural Sports Staff.

Team Names

- Any team name and/or team visual representation that incorporates the following will be removed:
  - Alcohol/Drug Reference
  - Illegal activity
  - Offensive to any group of people (Religion, Race, Gender, Sexuality, etc.)
  - Sexual Innuendos

- Any team name that incorporates play on words that elude to indecency, obscenity, or profanity that could be deemed as grossly offensive to members of the general public who actually hear/read it will be removed. Context is paramount in determining whether any particular word or phrase will be considered indecent, obscene, or profane. If any team name and/or team visual representation is found too offensive or egregious, team members may be referred to the Dean of Students and/or the Office of Student Ethics.
**Sportsmanship Ratings**

4 = Excellent Conduct and Sportsmanship

Players and fans cooperate fully with the officials and other participants. The captain is the only person conversing with officials about rule interpretations and calls in a respectful manner. The captain also has full control of his/her teammates as well as the team’s fans. Teams that win by forfeit or default will receive a "4".

3 = Good Conduct and Sportsmanship

The captain is not the only team member talking to officials. Teams that are awarded a non-conduct related penalty (yellow card, technical foul, unsportsmanlike penalty) will receive no higher than a “3” rating. Teams that utilize the grace period will be eligible to receive a maximum of “3”. Teams that lose by default will receive a “3”.

Examples of non-conduct related penalties include:
- Jewelry, slapping the backboard, sliding, high kick, shorts with pockets (FB only), metal cleats, etc.

2 = Average Conduct and Sportsmanship

Team and fans show verbal persistent dissent towards officials and/or the opposing team, which may or may not merit sport specific, conduct-related penalties such as a yellow card (futsal, soccer, volleyball, team handball), unsportsmanlike penalty (flag football), or technical foul (basketball).

1 = Below Average Conduct and Sportsmanship

Team and fans consistently show dissent towards the officials and/or the opposing team from the field and/or sidelines. The team captain exhibits little or no control over teammates or fans. Teams, including fans, receiving multiple yellow cards, red cards, unsportsmanlike penalties, technical fouls, or a conduct related ejection will receive no higher than a “1” rating. A team that receives a "1" rating must have the captain meet with the Assistant Director of Intramural Sports and/or the Graduate Assistant the following day to be eligible to play in the next contest.

0 = Poor Conduct and Sportsmanship

Team and team’s fans are completely uncooperative with Intramural Sports staff. Any teams or fans that cause a game to be forfeited or receives multiple ejections will receive a "0" rating. A team that receives a "0" rating must have the captain meet with the Assistant Director of Intramural Sports and/or the Graduate Assistant the following day to be eligible to play in the next contest.
Note: A team must have a 3.0 sportsmanship average or better to be eligible to participate in playoffs (major sport competitive leagues, minor sports, and tournaments).

Sportsmanship Ratings during the Playoffs

Teams receiving a "0" rating will be eliminated from the playoffs. The captain of a team receiving a “1” or “2” sportsmanship rating must meet with the Assistant Director of Intramural Sports and/or the Graduate Assistant the next business day. A decision will be made as to whether the team will be eligible to continue to participation in the playoffs. Teams permitted to continue participation in the playoffs must receive a "3" or "4" rating for all remaining playoff games. An individual receiving an ejection will be disqualified from all remaining playoff games.

Incidents (Policy Infractions)

Incidents are characterized by policy infractions, and the term is broad in nature. Incidents that might occur within Intramural Sports could include but are not limited to fighting, player ejections, dunking, alcohol/drug use, and theft. The Intramural Sports Head Supervisor or Assistant Supervisor on duty will complete an incident report when an incident occurs. We appreciate participant cooperation when completing these forms. An Assistant Director of Intramural Sports will follow up on an incident the next business day. Generally, incidents that occur in Intramural Sports require a meeting between the involved participants and the Assistant Director before the players may be reinstated. Incidents may carry Intramural Sports suspensions and/or restricted access to Recreational Sports programs and facilities. Intramural Sports suspensions are added to IMLeagues and prevent the individual from participating during the suspension.
Penalties for Disciplinary Action

Any participant who commits, provokes, or aids others in committing any of the following acts of misconduct shall be subject to the following disciplinary guidelines:

<table>

Note: Personal conduct situations that are not covered by the above rulings will be dealt with in an appropriate manner by the Assistant Director for Intramural Sports or designee. A participant that has multiple violations of any of the acts listed above will be subject to a ban from Intramural Sports.
**Appeals Process:**
Any participant/team has the right to appeal their sanction. He/she must follow this process:

1. The participant must email imsport@indiana.edu to request an appeal. This correspondence should include the reason for the appeal and needs to be submitted within two business days after the decision was made.
2. The Intramural Sports office will decide to accept or deny the appeal based on a review of the basis for the appeal.
3. If the appeal is denied and the participant wishes to continue the appeals process, he/she can request a review by the Program Director of Intramural Sports.
4. If the appeal to the Program Director is denied and the participant wishes to continue the appeals process, he/she can request a review by Director of Recreational Sports.

**Protests**
Protests may be made based on player eligibility or when misapplication of the rules involves the outcome of the game. No protest may be entered on any judgment of an Intramural Sports official.

**Eligibility Protest**
Any team protesting the eligibility of any player must furnish evidence by noon (12:00pm) of the next business day following the contest. Such evidence may consist of written and signed testimony of a witness; days, dates, time validating illegal participation; picture, roster, etc. that can show ineligibility.

Any team protesting the eligibility of any player must file a protest by:
- Halftime of sports/events that have halves (examples: Flag Football, Futsal, etc.)
- End of 1st set of sports/events that use a best of three formats (examples: Volleyball, Bags, etc.)
- End of 3rd inning of sports/events that have innings (examples: Softball, Kickball, etc.)

If a player shows up or enters the game for the first time after the above occurs, protest must be filed by the end of the game/match. The game/match will be delayed while the Intramural Sports Head Supervisor, Assistant Supervisor, or Evaluator fills out the protest paperwork. The Intramural Sports Office will investigate the score sheets of both teams involved in the contest the following business day.
Misapplication of Rules Protest

Questions pertaining to misapplication of rules on the part of game official(s) must be addressed to an Intramural Sports Head Supervisor, Assistant Supervisor, or Evaluator at the time the misapplication occurs, prior to the next live ball or play. The procedure shall be:

1. If a team feels the official has made a misapplication of a rule, the captain shall immediately request a “time out” and inform the official that he/she wishes to submit a protest on the application.
2. No protest which involves the judgement of the official(s) shall be upheld. The judgment of the official(s) is final. This also includes the Intramural Evaluator when necessary.
3. The Intramural Sports Head Supervisor, Assistant Supervisor, or Evaluator will assist the participant in filling out the Intramural Sports Protest Report. The contest will continue from this point “under protest”. Protests must be submitted to Intramural Sports Staff at the game site prior to the conclusion of the evening.

The Intramural Sports Head Supervisor will provide the participant with the imsport@indiana.edu email. The participant can request a meeting with an Intramural Sports Assistant Director. The contest will continue from this point “under protest.” An Intramural Sports Assistant Director or the Intramural Sports Office will make a ruling the following business day.

Recognition

Awards
Participants in Major Sport Competitive Leagues, Minor Sport Leagues, and all tournaments/special events will receive Intramural Sports championship t-shirts for winning an Intramural Sports championship in any sport. Due to the limited number of championship shirts ordered, shirts will be distributed at the discretion of the Assistant Director in charge of that particular sport.

Athlete of the Year
Each year Intramural Sports recognizes the Male and Female Intramural Sports Athletes of the Year at the annual Student Recreational Sports Association Awards Banquet. The Athlete of the Year Award takes into account Intramural Sports participation, success, sportsmanship, and attitude. Nominations for the award come from other intramural participants, and the Intramural Sports Council, with the help from Intramural Sports Staff, selects the winner.

When playoff games are postponed due to weather, the Intramural Sports Staff will make every effort to make up all remaining games in the playoff tournament. Playoff brackets will be updated on IMLeagues to reflect the updated dates and times. The Intramural Sports Staff cancels games based on participant safety concerns and field conditions.
