Differentiating Stock & Custom Items: The catalog contains both stock and custom items. Stock items will always have color options listed next to each item. Custom items will be labeled [adiCustom](#) or [miAdidas](#), and will *not* have colors listed. Instead, custom colors are listed at the end of that section.

Color Options

Be mindful that *only the below listed colors may be ordered for apparel or accessories* that will have an IU logo/Indiana printed on them:

- Victory Red, University Red, Black, White, Gray

****Power Red or Burgundy/Maroon colors CAN NOT be used**** for any items that will have an IU logo/Indiana/Hoosiers printed on them. While it may look similar in the catalogs, it is actual a noticeable different red in person. This restriction only applies to items that will be part of a uniform or will carry an IU logo/Indiana/Hoosiers. If clubs wish to order other colors for t-shirts, warm-ups, practice gear, etc. they can, as long as it will *not* have the club name or IU logo/Indiana/Hoosiers on it.

Billing

Clubs will receive an invoice or invoices from clubsprt@indiana.edu, typically after the items are received. Club treasurers are responsible for timely payments, or ordering privileges may be revoked.

When remitting payment to Adidas:

- Attach the invoice(s) you are paying for with the check
- Make check(s) out for the EXACT amount of the invoice(s)
- Ensure Club Name is either on the check or on the memo line
- If paying for multiple invoices, please include all invoices or write invoices (legibly) on a separate sheet of paper

Delivery

Items will be delivered to BGF 290, and we will notify the person who place the order when they are available for pick up. Individuals picking up the items are responsible for completing an inventory of the delivery, checking for correct quantity and/or artwork. By accepting the items, the individual is accepting this responsibility.

- If there is a problem with the quality or customization of the received items:
 - The individual responsible for inventory should alert Rec Sports staff immediately and leave the items in BGF 290 for return to vendor.
- If the goods will be received later than the required in-hands date:
 - The individual placing the order should alert Rec Sports staff immediately.
