PROGRAM STRUCTURE

RECREATIONAL SPORTS STAFF

Associate Director

The Associate Director of Programs helps oversee the Club Sports, Intramural Sports, Group Fitness, and Personal Training programs within recreational sports. The Associate Director has the authority to act with or in the place of the Assistant Director of Club Sports at any time.

Assistant Director and Coordinator

The Assistant Director (AD) and Coordinator (CO) of Club Sports assist with overseeing all aspects of the Club Sports Program and shall serve as the primary advisors to the Club Sports Federation, as well as advocates for the clubs to the University. They are available for individual club consultation and advising on all club matters. The AD/CO has the right to inspect individual club accounts whenever deemed necessary by the Club Sports Federation or University officials. They will have the authority to implement disciplinary action against a club or members for policy violation.

Program Assistant

The Program Assistant (PA) reports to the Assistant Director. The Program Assistant will assist with programming duties, daily operations and development of Club Sports. The PA position is designed to be an additional conduit between the clubs, the Club Sports Federation Executive Board and Recreational Sports staff. The PA also serves as a liaison to an assigned group of clubs, just as the Assistant Director and CSF board does as well.

CLUB SPORTS FEDERATION

Each Club is required to send one recognized [Officer](#) to the Club Sports Federation (CSF) Monthly Meetings. The CSF believes that involvement in physical fitness and competition, to promote well-being and university representation, is of utmost importance. Pursuing common interests compels each member to become involved in their club sport. The CSF holds physical well-being, leadership, competitive spirit, and cooperation as its paramount virtues.

Executive Board

The Club Sports Federation consists of a President, Vice-President, Treasurer, and Secretary. To run for a position, you must be a current, full-time IUB Student, plan to be on campus for the fall and spring semesters of service, and an active member of a Club Sport. The Exec Board meets weekly, leads monthly CSF meetings, serves as mentors to clubs, and advocates the Club Sports program to the IU-Bloomington campus. Additional duties of each position include:

President

- Prepare weekly meeting agendas and monthly meeting presentation materials (about 2 hours/week)
- Serve as the representative of Club Sports to Student Recreational Sports Association (SRSA)
- Facilitate meetings with "potential clubs"

Vice President

- Assist the President in facilitating the monthly CSF meetings
- Process Classification Forms during weekly office hours (about 1 hour/week)
- Chair of the Appeals Committee

Treasurer

- Process Allocation expense requests during weekly office hours (about 2 hours/week)
- Facilitate the allocation process in the Spring semester for a roughly \$100,000 budget
- Establish and maintain a line of communication with Club treasurers

Secretary

- Record meeting minutes at CSF monthly meetings and Exec Board weekly meetings
- Coordinate the CSF Committees and CSF Instagram account

- Coordinate refreshments/food for various meetings

Appeals Committee

The Appeals Board is in charge of Classification appeals, occurring at the end of April, and Discipline appeals, occurring throughout the year as necessary. The board members will be appointed shortly after the first CSF Meeting by the executive board and shall consist of various members of different clubs within the CSF, including the exec board members. The President should ensure that the board is balanced by choosing members that represent varying sports and activities (field sports, martial arts, off-campus clubs, individual/dual clubs, etc.). When a hearing is necessary, the CSF Vice President (chairperson) and at least 4 other representatives from the Appeals Board (not related to any Clubs involved) shall be appointed. One member of the Appeals Board shall be designated as secretary.

Martial Arts Committee

The Martial Arts Committee is overseen by a CSF Executive Board member and is comprised of one representative from each active CSF martial arts club within the CSF. The primary function of this committee is to plan and execute all items related to Martial Arts, the self-defense workshop, and the martial arts club's general needs, as well as any other events or initiatives the group may wish to work on. Committee meetings typically take place every other week throughout the academic year, or as needed.

Social Media & Engagement Committee

The Marketing Committee was developed in the Spring of 2017 by the CSF and is overseen by a CSF Executive Board member. As the committee evolved with changing students, connections, and trends; it has morphed into the Social Media & Engagement Committee. The purpose of this committee is to connect clubs within the CSF and assist in the promotion of their clubs through various platforms including social media outlets. This committee accepts interested student members from current club sports.

CLASSIFICATION SYSTEM

The Club Sports Classification System is in place to distribute access to facilities and funding, in addition to recognizing the hard work and effort put forth by clubs each year. With the measurable goals outlined below, it is our hope that club leaders and members receive a well-rounded and engaging experience when they choose to join a Club Sport that is part of IU Recreational Sports. For a full explanation of each category in the classification system, please see ["Classification System"](#) handout on our website.

A – Outstanding: 160+ points

The highest level in recognition is reserved for the clubs that are very organized, active on campus as well as in the community, and regularly support other Club Sports in their activities. This elite group will represent a small number of exceptionally dedicated clubs.

B – Above Average: 120-159 points

The mid-level in the classification system is for clubs that go beyond expectations by attending extra Recreational Sports events and being organized by submitting necessary forms by the priority deadlines.

C – Base Level: 80-119 points

This is the level that every club is expected to meet each year in order to maintain their status as a Club Sport. Clubs that are building their membership base can still achieve these base requirements through CSF involvement. Note: Clubs that only attain C status will receive reduced funding the following year.

Relationship to Club Sport Status

Clubs will be expected to complete the minimum standards outlined to maintain their status as a Club Sport. If a club does not meet the minimum in each required category, they will not receive any funding for the following fiscal year. Clubs that fail to complete two or more required categories will be immediately removed from the CSF. Any clubs that wish to appeal the aforementioned sanctions may make an appeal. The CSF Appeals Committee will make decisions on classification appeals.

HOW TO START A CLUB

If your club is interested in joining the Club Sports Federation (CSF), contact the Assistant Director/Coordinator of Club Sports via clubsprt@indiana.edu to inform them of the Club's interest. If it is initially determined that the below listed policies can be met by the organization, a meeting with the Assistant Director/Coordinator of Club Sports will take place to discuss requirements and expectations of joining the CSF:

- Based upon the information gathered, Recreational Sports staff will review factors such as risk of the sport, philosophy of the Club, and resources to support the Club.

- **If Recreational Sports determines it can support the organization’s philosophy and activities, the Club can continue with the review process for the CSF.** The Assistant Director will contact the Club with approval or denial at this stage, as well as the next steps in the process.

Policies

- In order to **apply** for the Club Sports Federation (CSF), the Club must be currently recognized as a Student Organization by [Student Involvement and Leadership](#).
 - Applications may be submitted for an upcoming academic year starting on August 15. Interested clubs must contact clubsprt@indiana.edu no later than January 15 to start the application process, and present to the full CSF (if approved) no later than the February CSF meeting. After that time, interested clubs will need to wait until the next academic year to apply.
- To be **eligible for membership** in the CSF, a potential Club shall meet the following requirements of a Club Sport:
 - A Club Sport shall be defined as a group consisting of at least 10 student members who meet regularly to pursue an interest in sport activity.
 - Offer an activity that does not duplicate that of an [existing Club Sport](#).
 - Offer an activity that falls within acceptable safety guidelines, as determined by the Department of Recreational Sports and the Office of Risk Management.
 - Offers an activity for which an approved space is available.
- No more than two (2) potential Clubs may present at any CSF Meeting
 - The Executive Board determines the meeting at which a potential Club Sport may present.
 - The Executive Board may postpone a potential Club Sports’ presentation to the CSF if two other potential Clubs are already scheduled to present at a given meeting.
- Each potential Club Sport may only present once a semester.

Procedure

1. Upon approval from the Assistant Director of Club Sports, the potential new club will submit the following documents via email clubsprt@indiana.edu for the CSF Executive Board’s review:
 - i. Written Constitution
 - ii. Written Statement justifying the potential Club and why it should be accepted as a Club Sport
 - iii. An explanation of difference between the potential Club and any similar existing Club Sports
 - iv. A written description of the Club’s activities, and the space requirements for such activities.
2. The CSF Executive Board will review the documentation and may:
 - i. Set up a meeting to discuss the submitted materials, request more information or deny the proposal based on failure to meet the requirements of becoming a Club Sport. Executive Board must provide a written explanation of denial.
3. After the CSF Executive Board, and the Martial Arts Committee, if necessary, has reviewed the documents and approved, the Potential Club will be asked to attend a **CSF Executive Board** meeting in order to present the information to the Board and provide more detail.
 - i. The Executive Board will vote whether or not they approve the Club to present at a CSF Meeting and will be notified of the decision by the CSF president.
4. **If the CSF Executive Board approves, the Potential Club will present to the entire CSF at a monthly meeting.**

The organizers will present to the full CSF and must be available to answer questions. The CSF will then vote on accepting or denying the potential club:

 - i. The potential club will leave the room during voting, accompanied by a staff member or CSF Executive Board member.
 - ii. The club will then need to be approved by a two-thirds vote of the CSF.
 - iii. A potential club immediately becomes a member of the CSF upon acceptance.

Certification classes offered by Rec Sports are in a blended learning format, which requires Safety Leads to complete an online portion prior to class; registration is required. Based on risk level, clubs are given a select number of free certifications courses for their Safety Leads. Classes are free for all coaches/instructors (with a Coach/Instructor Form on file), and do count towards a club's free allotment of certifications. **Clubs NOT required to have a Safety Lead ARE ELIGIBLE for free CPR/AED and First Aid Classes put on by IU Recreational Sports (allotment depends on the club's Risk level).** Missing an approved certification course will result in \$75 fine to the club's allocation.

- Depending on the location and time of the accident, different protocol will need to be followed:
 - When RS Staff is present, allow the staff to handle the situation, club can assist with the process.
 - When RS Staff is not present, the Safety Lead will be the lead responder.
- In the event of a claim for a loss filed with IU Risk Management or a lawsuit, the [Accident Report](#) becomes an important reference document.

Procedure

2. Determine if it is a Code Red (necessary to call an ambulance).
 - a. Call 911 and the On-Site/On-Call Professional for Code Red accidents.

INCIDENTS

- An incident is defined as anything that is illegal, suspicious, violates policy or intentionally causes harm.
 - A major incident, referred to as a Code Blue, is one in which the Safety lead has determined that the police must be called.
- Depending on the location and time of the incident, different protocol will need to be followed:
 - When RS Staff is present, allow the staff to handle the situation, club can assist with the process.
 - When RS Staff is not present, the Safety Lead will be the lead responder.
- In the event of a claim for a loss filed with IU Risk Management or a lawsuit, the [Incident Report](#) becomes an important reference document.

FACILITY INSPECTIONS & INCLEMENT WEATHER

Safety Leads are responsible for conducting a Facility Inspection before each use and checking for hazards and poor weather conditions. They should also know the location of the nearest risk management supplies, AED, phone, emergency exit and the best entrance for ambulance access.

- Cancel outdoor activities if there is lightning, severe weather, tornado watches or warnings, or excessive heat or extreme cold. Please see the [Safety Lead Handbook](#) for further details.
 - A staff member from the Club Sports/Intramural Sports Unit will contact clubs if a Recreational Sports facility will be closed due to poor weather or other facility concerns.
 - In the event of a weather delay during an event/competition, club leaders may have the choice to modify the event schedule, or cancel the event all together, provided Recreational Sports staff onsite grant approval.
- If there is a hazard, remove it before play begins.
- Cancel the practice/event if hazard cannot be removed or repaired.
 - At **Garrett Fieldhouse /SPH, SRSC, Sembower RSFC, Woodlawn and Mellencamp** (or where RS Staff is present):

 - Allow RS staff to execute Recreational Sports evacuation protocol.
 - At **Evan Williams**:

 - Safety Lead executes evacuation protocol.
 - At an **Off-Campus facility**:
 - Report issues to facility owner.
 - Know that facility standards could differ day to day; be aware of your surroundings.
 - Safety Lead needs to know & execute the evacuation protocol.

PROGRAMS INVOLVING CHILDREN/MINORS

- Any club activity where members, coaches/instructors or advisors will be interacting with individuals under the age of 18 must be cleared with Recreational Sports staff beforehand.
- Depending on the program, its host, location and other factors, the club leaders may be required to submit a Programs Involving Children (PIC) program registration form or supply written proof from the organizer that there are measures/policies in place.
- It is recommended that clubs start this process at least 8 weeks prior to an event with children/minors in order to allow ample time for approval and any necessary forms required by University policy.
- Note: Additional training is required for all club members partaking in an event/program involving children/minors and must be completed prior to the event.

REPORTING RESPONSIBILITIES

- Accidents and Incidents
 - Call the On-Site/On-Call Professional to inform them of the situation.
 - Reports must be turned in within 24 business hours, or within 24 hours upon returning to Bloomington.
 - Safety Leads are not permitted to copy the accident report and/or give a copy to anyone.
- Facility Inspection
 - Inform the Club Sport Staff of the facilities issues; if possible, provide photos.

- Submit the information to Club Sport Staff via email within 24 hours.

TRAVEL

Club Travel

Travel is defined as any trip to a location outside of Bloomington or away from the club's normal practice location (if practice location is not in Bloomington). Although travel cannot be funded through a club's allocation from the CSF, a trip is considered to be a club activity if:

- Club funds (Club's off-campus account, and Allocation) are used to cover any portion of the travel expenses.
- Club equipment is used and/or transported.
- Uniforms/clothing with the club name or logo will be worn in conjunction with competition/event participation.
- The group is registered as the “__ Club at IU” or an individual from “__ Club at IU” at the competition/event.
- The competition results will indicate club affiliation.

If you can answer *yes* to any of the above statements, a Travel Form is required. If you answered *maybe* to any of the above statements, please contact the Club Sports program staff so they can assist you in making the correct determination.

Travel Approval Form

A [Travel Approval Form](#) must be completed at least **one week/seven days** prior to departure anytime a club travels outside of Bloomington to a location other than their typical practice facility.

- Clubs will provide a roster of all members attending the event.
 - Even if only one member of the Club is going to an Event and representing IU, there still needs to be a form filled out and a Safety Lead to attend with them. **In individual club competition, a club member cannot be their own safety lead.**
 - A Safety Lead, who accepts responsibility to supervise the club while traveling, must accompany the Club Sport on all trips. This includes Risk Level III clubs.
 - The Safety Lead attending must be listed on the Form.
 - If a Club is missing a waiver for a member trying to attend the away event, the club has until the last business day before departure by 5:00pm to turn the waiver in electronically or to Garrett Fieldhouse 290.
 - If a Club travels without submitting a travel form, the Club will face disciplinary action.
- If your league/National Governing Body requires a verified roster for competitions, it is recommended that officers give the Registrar at least two weeks' notice.
- If traveling outside of the country, Recreational Sports shall refer to the procedures outlined for student organizations by the [Office of Overseas Travel](#). At this time, no proposal is needed for club trips, unless there is direct involvement from an IU faculty/staff member in the planning and arrangements.

Professor Letters

At times, professors or instructors may request proof of club travel to grant alternate arrangements for course work. When requested via the Travel Form, a signed PDF letter will be provided to the person that submits the form. We recommend that a Travel Form be turned in well in advance of your trip, so club members can pass the letter along to their professors as soon as possible. This way, reasonable accommodations can hopefully be made ahead of time, and not last minute.

This letter will confirm trip details but does not serve as an automatic excuse to miss classes. It is up to each individual instructor/professor to determine if and how absences for Club Sport events are counted, as well as opportunities to make up missed material.

Personal Vehicles

- **All drivers for the club must complete an [MVR Check and Personal Vehicle Use Form](#).** Please read MVR instructions and guide carefully [here](#); **this form is not collected or processed by Recreational Sports, this form must be turned digitally into The Office of Insurance, Loss Control, and Claims using the MVR Link above.**
- Only insured vehicles should be used for Club travel. It is recommended that drivers carry a minimum insurance coverage of \$300,000 bodily injury per accident/\$100,000 bodily injury per person/\$25,000 medical per occurrence/\$100,000 property damage.
- **Clubs may not utilize any 12 or 15 passenger vans.** Cargo vans may be used, but may not be equipped to carry more than 6 passengers. [See University Policy FIN-INS-05 for details.](#)

Rental Vehicles

- **All drivers for the club must complete an [MVR Check](#).** Please read instructions and guide carefully; this form is not collected or processed by Recreational Sports.

The Recreational Sports staff reserves the right to deny practice space if requirements are not met. Facilities may be withheld when improper usage is reported or when clubs fail to adhere to policies and procedures. - Each club treasurer is responsible for completing training at the beginning of the year to receive access to allocation funds.

Income

- Recommendations:
 - Deposits made to off-campus bank accounts in a timely manner (24-48 hours after receiving cash or checks).
 - Have more than one officer on the bank account.

- Please see your off-campus bank branch for specifics regarding account activities, minimum balances, etc.
- If a club becomes inactive, unspent allocation dollars should be returned to Recreational Sports and unspent fund, should be redistributed to active club dues-paying members and close the account.
- All money that remains in the club's off-campus bank accounts at the end of the academic year will be the responsibility of the clubs.

Expenses

- See the table above which explains what expenses this Account can (and cannot) be used for by Club Sports.

CLUB SPORTS FEDERATION ALLOCATION

The Allocation Account funding comes from Recreational Sports through the Student Activity Fee fund collected from IU students each semester. The allocation process determines how to distribute these funds to the organizations in the Club Sports Federation. There will be a Fall distribution and Spring distribution based on spending habits of club from previous years. In addition to the allocation, Club Sports have the opportunity to earn Incentive money, which is made available in the club's Allocation Account.

Buy.IU

- Clubs within the Club Sports Federation are required to set themselves up as suppliers through Buy.IU in order to be eligible to receive allocation. <https://purchase.sitehost.iu.edu/buying/suppliers.php>
- Registration is only required once, but clubs will need to update their contact information from year to year as club officers change. Please see steps on how to change your Buy.IU contact information on page 10 below:
 - <https://purchase.sitehost.iu.edu/buying/doc/Individual-Profile-Walkthrough-Domestic.pdf>
- If your club needs to update or reset their log-in information, you will have to reach out to Jaggaer directly. Below is the link to assist with this:
 - <https://solutions.sciquest.com/apps/Router/SupplierLogin>
- For up-to-date guides on how to navigate Buy.IU, please visit the CSF beINvolved page under documents.

Responsibility

- The Allocation Account is managed by the Club Sports Federation (CSF) Treasurer with approval from the Assistant Director of Club Sports.
- Each club treasurer is responsible for knowing the Club's current balance and following both off-campus bank account and Club Sport expenditure policies.
- Each club is responsible to keep track of the amount spent in their Allocation Account.
- Clubs will be responsible for submitting Proof of Purchase through beINvolved.
- All money remaining in the club's off-campus bank account that came from the Allocation Account at the end of each academic year will be taken out of next academic year's full allocation.
- If club is disbanding and has not spent all of the money from the Allocation Account, it will be the responsibility to get that money back to the University. Please reach out to the Assistant Director of Clubs for more assistance.
- Once Allocation funds are spent, club will be responsible to pay any outstanding expenses on their own (using off-campus club bank accounts).

Allocation Process

Recreational Sports will provide clubs with an Allocation Request Form in the spring, which shall include a total operating budget for the club, in order to help validate the Allocation Request. Allocation Requests must be submitted by the spring deadline set by the CSF in order to receive Allocation for the next fiscal year. There are three pools through which a club can receive Allocation dollars:

1. Classification Points
2. Needs Based Funding

3. CSF Incentive Funding

Expenses

- See the table on page 22 for which expenses this Account can (and cannot) be used for by Club Sports.
- Turn in all allocation proof of purchases via the beInvolved form—Proof of Purchase Submission.

It is recommended that agreements for service arrangements and pay rates be drafted, and that club sports request [Student Legal Services](#) to review proposed agreements with third parties prior to signing. Agreements are between the third party and the Club Sport, not with Recreational Sports.

Acceptable Proof of Purchases:

- In order to assist with tracking Allocation money, the following will be acceptable Proof of Purchases:
 - Invoice + a bank statement showing the money has been spent by the club
 - Itemized receipt + bank statement showing the money has been spent by the club
 - Club Venmo/PayPal Statement

Emergency Funding Access

CSF emergency account funds may only be dispersed in compliance with Allocation guidelines, as determined by the CSF exec board and Recreational Sports staff. At any time, an active club sport may petition for use of the emergency funds if they demonstrate unforeseeable/unbudgeted dire need.

- i. Unforeseeable dire need is defined as:
 1. Expense could not have been reasonably predicted at the time of the allocation hearing.
 2. Without immediate financial assistance, the club sport(s) would cease to function.
- ii. Assistance may come in two forms:
 1. Grant: A form of financial assistance in which the club sport is not expected to repay the CSF.
 2. Loan: A form of financial assistance in which the requesting club sport is expected to outline a repayment plan as part of the request.
- iii. The President and Treasurer of the requesting club sport must email a formal letter to the CSF Executive Board at clubsprt@indiana.edu to request emergency funding:
 1. In the letter of request, the requesting club should specify the requested amount, a justification for the request, and the form of assistance it is requesting (grant or loan).
 2. The current CSF Executive Board will review the request at their next scheduled Executive Board meeting, or via email in the case of summer or semester breaks.

All Foundation accounts for Club Sport in Club Sports Federation have been liquidated. Due to IRS regulation, it has been determined that Clubs that are recognized as SGSO's are no longer eligible to have IU Foundation Accounts.

OTHER FINANCIAL ITEMS

Club Dues

Dues are created by the officers of each club, based on need. Club Sports encourages good judgement when establishing dues, as well as the adoption of a written refund policy (even if it's simply no refunds). Dues are encouraged to be deposited into the club's off-campus bank account as soon as possible.

Fundraising

Club must [submit all fundraising projects for approval](#). This also helps ensure that the fundraiser will follow all applicable policies.

- All merchandise sold that includes a licensed trademark logo, must be ordered through a licensed vendor.

- Vendors are allowed to be acknowledged as “brought to you with the assistance from”, “backed by”, or similar; NOT “sponsored by”.
- Consistent with Club Sports Federation policy, no financial support shall be accepted that would associate the club, the Club Sports Federation, Recreational Sports, or Indiana University with performance-enhancing or illicit drugs, tobacco products, or alcohol.

Donations & Sponsorships

Club should [submit all letter drive and sponsorship materials for approval](#) in order to ensure compliance with University and Club Sports policies.

- Donations can only be made through the club’s off-campus bank accounts. Tax Deductions are dependent on club’s status as a 501c3 non-for-profit organization.
- Sponsorship dollars can only be deposited in the club’s off-campus bank account.
- Vendors are allowed to be acknowledged as “brought to you with the assistance from”, “backed by”, or similar; NOT “sponsored by”.
- Consistent with Club Sports Federation policy, no financial support shall be accepted that would associate the Club Sport, the Club Sports Federation, Recreational Sports, or Indiana University with performance-enhancing or illicit drugs, tobacco products, or alcohol.
- Unless otherwise noted on a check, the stall date is 180 days from the date of issue.

INCENTIVE FUNDING

The CSF will determine the use of the Incentive pool of funding and will announce these opportunities as they become available. Potential opportunities might include: perfect attendance at CSF meetings, completing activation by a certain date, participation in Leadership Workshops, and Safety Lead quizzes.

Leadership Workshops

Leadership Workshops are an opportunity for Club Sport Officers to learn about a variety of topics that leaders may find helpful or beneficial to their club. Each trained officer than attends will receive \$15 in their Allocation Account.

Annual Awards

Annual Awards are given to clubs at the year-end. Past awards have included: Club of the Year, Rookie of the Year, Advisor of the Year, Athlete of the Year, Best Team Photo and Best Action Shot. Many of the winners for these categories are determined by a vote of the CSF.

LEGAL

CONTRACTS

Any contract made between a club and an outside party/individual must be reviewed by the Club Sport administration. If necessary to have further review, the Club Sport administration may forward the potential contract to Office of Legal Services for revision. Provide the contract to Recreational Sports **at least six weeks** in advance of the due date for revision.

MEMOS OF UNDERSTANDING

MOU's (or memorandum of understanding) is a formal agreement between two or more parties. Companies and organizations can use MOU's to establish official partnerships. MOU's are not legally binding but they carry a degree of seriousness and mutual respect, stronger than an "agreement". If an MOU is offered instead of a contract, this may be easier to be processed through the Office of Legal Services. Provide **at least four weeks** in advance of the due date for revision.

NATIONAL GOVERNING BODIES

Clubs are to be governed by the rule and regulations established from Indiana University, Recreational Sports, and Student Involvement and Leadership. If applicable, clubs should follow recommendations from their National Governing Body that pertain to effective, efficient administration of their sport or activity.

LIABILITY INSURANCE

- *Vendors are allowed to be acknowledged as “brought to you with the assistance from”, “backed by”, or similar; NOT “sponsored by”.*
- Consistent with Club Sports Federation policy, no financial support shall be accepted that would associate the club, the Club Sports Federation, Recreational Sports, or Indiana University with performance-enhancing or illicit drugs, tobacco products, or alcohol.
- Indiana University will not approve the use of its trademarks in conjunction with certain types of products. These include, but are not limited to:
 - Tobacco and nicotine related products

 - Weapons
 - Sexually suggestive products
 - Products that are or depict hateful, demeaning or degrading language or statements
 - Products that use profanity
 - Gambling-related products
 - Patches
 - Products that contain statements impugning other universities
 - Products that present an unacceptable risk of liability
 - Products that are harmful to the mission or integrity of the institution
 - Products that contain another entity’s registered trademark, unless explicit written permission has been granted from that entity

Permitted Brands

Per the agreement signed between IU and Adidas in August 2015, all brands **other than Nike & Under Armour** are permitted to carry the IU logo. This applies to uniforms, equipment or any type of club purchase that will carry an IU logo or trademarked image. If the item will not have an IU logo, the club may use any brand/company they wish.

APPROPRIATE CONTENT

Many times, the first interaction a prospective club member has with an organization is looking for more information on social media or a website. However, this *prospective* member can only become an *active* member if they can easily find the information they need about your club. Below are some guidelines and expectations for Club Sports that choose to have a club website, email account, and/or social media accounts, which do not apply to personal accounts.

As an organization registered with Indiana University, it is necessary to ensure the images and messages listed online, sent via email, and posted on social media are representative of our institution of higher education. Clubs may not:

- Post pictures or videos that show alcoholic beverages, the consumption of alcohol, or create the illusion of alcohol consumption on club social media or websites. This includes promotions/sponsorships with bars.
- Post or knowingly permit the posting of content or any other use of your club’s account to cause harm, embarrassment, defamation, insult, or injury to any person or entity. This does not prohibit frank discussions, criticism, or opinion.

- Create a personal profile to represent your organization; this is a violation of Facebook terms of service. Only use Pages or Groups to promote your organization.

CLUB WEBSITES

Websites should be **updated at least once a semester** (fall/spring/summer), so prospective members can see that the site they've landed on is still in use. Important items to include on your website:

- Contact info for your club's leaders
- Information on how/when to join the club
- Your current and up-to-date practice schedule
- An events calendar

IU WEBSITES & EMAIL ADDRESSES

Each Club Sport can request an IU website and email address for their organization. To request this service, please visit the Student Involvement and Leadership website at: <https://studentaffairs.indiana.edu/get-involved/student-organizations/manage-organization/tech-support.html>

CLUB SOCIAL MEDIA ACCOUNTS

Clubs may also choose to create accounts for any type of social media, including Facebook, X (formerly Twitter), TikTok, and Instagram. Some recommendations for the use of these accounts:

- We recommend that accounts at least be **checked weekly** and **updated monthly** when the club is active, so prospective members can see that the site they've landed on is still in use.
- Make sure the name on the page makes it easy for someone to find your club. Avoid abbreviations, acronyms or nicknames.
- Update the "about section" annually, as this typically lists your website URL and/or contact information.

<https://studentaffairs.indiana.edu/get-involved/student-organizations/manage-organization/tech-support.html>

Note: Club Social Media Accounts and Websites still need to follow the proper naming convention of "Club @ IU" in their name, about sections, titles, etc.

CLOUD STORAGE

For smooth document transfer, it is recommended that clubs create an account for their group at <https://old.uits.iu.edu/onedrive> for all club file storage.

ACCOUNT TRANSFER & CLOSURE

As part of officer transition, outgoing officers need to ensure that incoming officers have access to all club website, email, and social media accounts before graduation/departure. Depending on the platform, it may be difficult or impossible for club leaders to regain access, leaving old and inaccurate information floating around the internet.

Updating Information with Recreational Sports

Your club website and/or social media URLs are listed on your beINvolved page, and are updated as part your annual re-registration each spring. If your URL changes at any time during the year, simply have a club officer update the link listed under the “About” section of your club’s page, by using their “Manage” tab (see below).

POSTING FLYERS ON CAMPUS

DISCIPLINARY GUIDELINES

DISCIPLINARY PROCESS

Complaints may be considered against a club for any action in violation of the CSF Constitution, Club Sports Manual, and/or the University’s Policies and Regulations concerning Club Sports (*whether committed by the club, by club representatives, or club members involved in a club function*). Proven violations are grounds for penalties to be assessed against the Club. The disciplinary process is outlined as follows:

1. Complaints received by the Division of Recreational Sports will be referred to the Club Sports Staff for an investigation and ruling. The Club Sport staff shall notify the club verbally, then in writing that the complaint has been made, and may suspend club activities in certain cases until the investigation is complete.
2. When a complaint is referred to the Club Sports Staff, written statements may be obtained from the complainant, accused club, witnesses, and any other person(s) deemed appropriate.
3. In addition to the written statement, verbal conferences should be conducted with the complainant, accused clubs, witnesses, any other person(s) deemed appropriate, and the Executive Board.
4. After conducting an investigation, the Club Sport Staff shall make a ruling based on the evidence collected during the investigation, keeping within the penalties as listed below.
5. The Club Sports Staff shall notify the club in writing of the ruling.

DISCIPLINARY ACTIONS

If a Club commits an action that the CSF Executive Board/Appeals Committee finds suitable for disciplinary action, the following may be possible punishment:

- Fines up to \$500.00, not to exceed the club’s annual Club Sports Federation allocation.
- **Suspension** from the campus and University for a specified period

- **Suspension** from specified University facilities
- Funds may be frozen
- **Warning** for suspension
- Loss of Allocation Funding
- **Probation** for a specified period, under specific terms and penalties
- Recommendations of continued review by the Executive Director for Recreational Sports and/or the University, the results of which will not be subject to further disciplinary action by the Federation
- Adjustments to a Club's classification category placement

Warning:

A warning will most likely accompany another disciplinary action that the Club Sports Federation Executive Board finds necessary. The club will be given the warning for a first-time, low-level offense. The club will be given time to correct the issue. If the club does not fix the issue, the club may be placed on Probation.

Probation:

A club may be placed on probation due to committing a high-risk infraction, multiple infractions or offense not stated above that the Club Sports Federation Executive Board decides is a severe action. The club will be at risk for Suspension if another infraction occurs. The club may be given other disciplinary action by Recreational Sports or the Club Sports Federation.

Suspension:

A club placed on Suspension will no longer be an active member of the Club Sports Federation (therefore, the club will not receive any benefits from Recreational Sports).

Removal:

A club that is removed will no longer be part of the Club Sports Federation and will have to go through the full application and approval process in order to rejoin the CSF after set date. The Appeals Board may set a date when the club is eligible to reapply.

APPEALS

The following process is to be followed when there is an Appeals Board between September and April. Should there be a need for an appeal when the board is not available, then the club wishing to appeal has the choice of waiting for the appeals board to reconvene in the fall or skipping straight to the final step in the appeals process (see step 4 below).

1. The club will be notified if the club has the opportunity to appeal.
2. Pre-hearing:
 - The president of the club must send a written appeal to the Club Sports Federation.
 - Once the information has been received, the club will be asked to attend an Appeals hearing.
 - Please see information on [Appeals Board](#) if the club has any questions of who will attend.
3. During the hearing:
 - The Appeals Board Chair will state the infractions and/or policy violations.
 - The club will be asked to present what they are appealing.
 - The club should include:
 - How the club will prevent similar issues in the future
 - What the club thinks is an appropriate punishment for the charges
 - Any other information the club feels necessary
 - Next, the Recreational Sports representative will present their information
 - The Board will ask any questions on the matter
 - The club and the Recreational Sports Representative(s) will leave the room.
 - The Appeals Board will discuss and come to a conclusion.
 - The Appeals Board will inform both the club and the Club Sports Staff of the decision.
4. Post-hearing:

- Clubs have the opportunity to make a final appeal to the Executive Director of Recreational Sports and the Program Director of Club Sports & Intramural Sports.
- The Assistant Director of Club Sports has the opportunity to appeal the decision made by board to the Executive Director of Recreational Sports and the Program Director of Club Sports & Intramural Sports.
