

## Position Summary

Work behind the lens and capture the participant experience at IU Campus Recreational Sports as a Photographer/Videographer. This position provides marketing support through creating photo and video content that is utilized in posters, brochures, social media, and website, as well as other various publications, both print and electronic. The student employee will build their portfolio and develop skills and experience in a professional marketing and design setting. We truly believe that Recreational Sports offers something for everyone, and the Photographer/Videographer will help us convey that message as visual storytellers of the organization.

## Responsibilities

- Complete projects and tasks as assigned by Photo/Video Lead
- Cover various Recreational Sports events and offerings, from Intramural Sports, Group Exercise, Aquatics, Personal Training and more
- Sort and edit photo/video content using Adobe Creative Suite Software (Bridge, Lightroom, Premiere)
- Deliver edited content to Photo/Video Lead in timely manner using Google Drive

## Requirements

- Previous experience operating a DSLR camera
- Basic photography shooting and editing skills
- Excellent communication and time management skills
- Punctual, reliable, and flexible
- Attend weekly team meetings

## General Expectations

- Highly self-motivated and willing to challenge self and others
- Passion for quality photography and videography
- Exhibit enthusiasm for Recreational Sports and Indiana University
- Perform all responsibilities in a punctual and reliable manner
- Exercise mature judgment, good humor, flexibility, and patience
- Professional and mindful representation of Recreational Sports and Indiana University

## Director/Supervisor:

- Coordinator, Digital Media, Outreach & Relational Service - Lauren Colbert
- Director of Participant Engagement, Outreach, & Relational Service - Mandy McGhee

**Hourly Rate:** \$11.95
